## ***Our Mission...***

### ***At Master Medical Equipment (MME)***

we foster a culture where people buy from people. Our people are passionate about their jobs because they understand that we just don't sell medical equipment, we offer our customers options and a solution for their needs. Built on experience, based on loyalty, grounded in trust.

## ***Our Vision...***

is simple. To be the world leader in recertified medical equipment. To earn our customers through quality, value, service, and respect.

Below is an example of the brand new and biomed recertified equipment we offer. All recertified equipment is tested, calibrated to OEM Specifications and warranted.
